

## **2021 SHADOWS ON THE WOLF (SOTW) GOLF SPONSORSHIP**

The Shadows on the Wolf – Clintonville Chapter is a non-profit organization. The chapter is very active in the community and the local areas around Clintonville. Some of the activities that the Shadows on the Wolf – Clintonville Chapter do each year are as follows: Annual Learn-to-Hunt Program for first time turkey hunters, Make a Wish Hunt Program (these kids have disabilities and some have terminal conditions) which we incorporate into our local kids program, distribution of food plot seed to chapter members to enhance local habitat for wildlife, donates money/prizes each year to local activities such as Leopolis Youth Fishing Day/Clintonville Youth Trap League, and members also assist a local non-profit group called Challenged the Outdoors (CTO) on an annual Turkey Hunt. Many hunters in the CTO program use wheel chairs or have some other type of physical handicap. Unfortunately one of our hunts this year was cancelled due to Co-Vid shelter in place orders. We are currently planning a small Make a Wish Hunt Program.

All the funds raised at the **SOTW GOLF OUTING** directly supports the above items.
